Re: AB 2712 (Daly) – REMOVAL OF OPPOSITION

Dear Assemblymember Daly:

On behalf of the California Groundwater Coalition (CGC), I write to inform you that we have removed our opposition to AB 2712, as amended April 23, 2014.

The California Groundwater Coalition (CGC) was formed at the urging of California State and local officials who believe that increased efforts are needed to educate and inform policy makers and the public about California groundwater resources. CGC members include public and private groundwater management entities located throughout California and consist of experts with technical, legal, and professional groundwater and related expertise.

If you have any questions regarding our position on this measure, please do not hesitate to contact me or our Legislative Advocates Chris Frahm or Rosanna Carvacho at 916-594-9700.

Sincerely,

Kenneth Manning
President, California Groundwater Coalition
